

SUICIDE PREVENTION

Duties of Teachers and Administrative Staff

Any person licensed as administrative or instructional personnel by the Board of Education and employed by the Essex County School Board who, in the scope of his employment, has reason to believe, as a result of direct communication from a student, that such student is at imminent risk of suicide, contacts, as soon as practicable, at least one of such student's parents to ask whether such parent is aware of the student's mental state and whether the parent wishes to obtain or has already obtained counseling for such student.

Abuse or Neglect

If the student has indicated that the reason for being at imminent risk of suicide relates to parental abuse or neglect, contact is not made with the parent. Instead, the staff person notifies, as soon as practicable, the local department of social services of the county or city wherein the child resides or wherein the abuse or neglect is believed to have occurred or the state Department of Social Services' toll-free child abuse and neglect hotline as required by Policy GAE Child Abuse and Neglect Reporting and Va. Code § 63.2-1509. When giving this notice to the local or state department, the person stresses the need to take immediate action to protect the child from harm.

Parental Review of Materials

Parents have the right to review any audio-visual materials that contain graphic sexual or violent content used in any anti-bullying or suicide prevention program. Prior to the use of any such material, the parent of a child participating in such a program is provided written notice of the parent's right to review the material and the right to excuse the child from participating in the part of such program utilizing such material.
