

## POLICY IMPLEMENTATION

### Development of Regulations

The School Board authorizes the superintendent to promulgate such regulations as are necessary to carry out the policies adopted by the School Board. If Board action is required by law or the Board asks that certain types of regulations be approved by the Board, the superintendent will present those regulations to the Board for action. The superintendent shall make all regulations available to School Board members and the public, and shall see that the regulations are placed in the School Board Policy Manual or are kept with the Policy Manual.

### Dissemination of Policies and Regulations

Administrators and supervisors will be responsible for informing staff members of all newly adopted or revised policies and regulations.
