

**PROFESSIONAL STAFF**

No teacher shall be regularly employed by the School Board or paid from public funds unless such teacher holds a local teacher license or a license or provisional license issued by the State Board of Education. If a teacher employed under a provisional license is activated or deployed for military service within a school year (July 1 - June 30), an additional year will be added to the teacher's provisional license for each school year or portion thereof the teacher is activated or deployed. The additional year or years shall be granted the following year or years after the return of the teacher from deployment or activation.

The Virginia Board of Education prescribes, by regulation, the requirements for the licensure for teachers and other school personnel required to hold a license.
