The user agrees to indemnify the School Board for any losses, costs, or damages incurred by the School Board relating to or arising out of any violation of these procedures.

Downloading any file attached to an electronic message is prohibited unless the user is certain of that message's authenticity and the nature of the file.

In general, e-mail messages from the Division's email system are public documents under applicable law and, therefore, are not confidential. Under the Virginia Freedom of Information Act, e-mail messages must be produced if a citizen requests them with reasonable specificity. The general public shall have access to Division e-mail messages as provided in Virginia Code § 2.2-3704.

E-mail messages that contain personally identifiable, non-directory information about a Division student or employee are confidential and may be exempt from public disclosure under Virginia Code §§ 2.2-3704(G) and 2.2-3705.4(1). In addition, e-mail messages that contain personally identifiable information about a student are covered by the Family Educational Rights and Privacy Act (“FERPA”), 20 U.S.C. §1232g, and only persons with a legitimate educational interest may have access to them without prior written informed parental consent. Division employees that use the e-mail system to convey information to individuals that do not have a legitimate educational interest may be in violation of FERPA.

10. **Enforcement.** Software will be installed on the division’s computers having Internet access to filter or block internet access through such computers to child pornography and obscenity. The online activities of users may also be monitored manually. **Any violation of these regulations shall result in loss of computer system privileges and may also result in appropriate disciplinary action, as determined by School Board policy, or legal action.**
