SUMMARY

As a proven educational administrator with over twenty years of successful experience in education, I have successfully provided chief executive leadership, managed multimillion-dollar budgets, provided effective human resources and operational leadership, and worked diligently to improve the quality of the educational systems served. With advanced degrees in education and public administration as well as my involvement in working toward solutions to benefit students, I possess the knowledge base and experience to provide effective chief executive educational leadership. As a collaborative, student-centered leader, have earned the respect and trust of administrators, faculty/staff, governmental bodies, community members, and educational partners.

PROFESSIONAL EXPERIENCE

ESSEX COUNTY PUBLIC SCHOOLS, Tappahannock, VA

SUPERINTENDENT (6/2013 – present)

Provide transformative leadership in a rural, low-growth, high-poverty school division and created a system which is student-focused, professional, and efficient. In so doing, student academic and support programs have been strengthened; resources have been provided; organizational restructuring has occurred; and administrative services have been improved and aligned. Of note, student academic growth has been achieved; meaningful professional development has been provided; technology has been extensively employed in classrooms and offices; human resource management has been vastly improved; and significant improvements in teacher pay and health insurance have been made.

- Chief executive leadership and management for all aspects of the PreK-12 school system with approximately: 1,600 students; 3 schools; 250 employees; and annual resources close to \$20 million.

WILLIAMSBURG-JAMES CITY COUNTY PUBLIC SCHOOLS, Williamsburg, VA

ASSISTANT SUPERINTENDENT/CHIEF FINANCIAL OFFICER (8/2005 – 5/2013)

In a challenging economic environment, transformed the budget development process to focus on system goals, resource reallocation, and stakeholder inclusion. Successfully led the business activities of the district by maintaining budget control,

establishing policies and procedures that improved efficiency and ensured compliance with local, State, and Federal mandates.

- Budget and maintain financial control of annual resources of \$135 million, including operating, capital, and grant funds.

In addition to Assistant Superintendent/CFO responsibilities, I served the WJCC School District in a number of additional duties for the benefit of the system, including:

WILLIAMSBURG-JAMES CITY COUNTY PUBLIC SCHOOLS, Williamsburg, VA
ACTING SUPERINTENDENT (5/2010 – 2/2011)

Provided steady leadership in a period of transition and in creating and implementing an organizational structure that focuses on the Division's priorities: teaching and learning. This organizational structure reduced internal "silos" and improved efficiency, while reducing costs. In addition, I provided student-centered effective leadership in the areas of: instruction, community partnering, school construction, finance, human resources, and other challenging issues.

- Chief executive leadership and management for all aspects of the PreK-12 school system with approximately: 11,000 students; 15 schools; 2,000 employees; and annual resources of \$135 million.

WILLIAMSBURG-JAMES CITY COUNTY PUBLIC SCHOOLS, Williamsburg, VA
ASSISTANT SUPERINTENDENT FOR OPERATIONS (2/2011 – 6/2012)

Provided operational executive leadership for facilities and a physical plant consisting of: fifteen schools; 1.9 million square feet of buildings; and over 500 acres of land. Other operational duties: technology, child nutrition, and transportation for approximately 11,000 students.

WILLIAMSBURG-JAMES CITY COUNTY PUBLIC SCHOOLS, Williamsburg, VA
ASSISTANT SUPERINTENDENT FOR HUMAN RESOURCES (7/2008 – 5/2010)

Provided leadership and management for employment and recruitment, benefits administration, salary administration and compensation, employee relations, training for non-instructional staff and staff development of non-instructional staff, performance management, policy development, certification and licensure of teaching and other licensed staff.

NORFOLK PUBLIC SCHOOLS, Norfolk, VA
SENIOR DIRECTOR OF BUDGET (2001 – 2005)

Changed the budget development process to focus on system goals, resource reallocation, and stakeholder involvement. This system emphasized program evaluation and linking funding to results.

- Budgeted and maintained financial control of \$300 million operating budget and approximately \$35 million in State and Federal grants.
- Directed budgeting staff and worked collaboratively with other administrative staff on budgeting issues.
- Involved in various matters pertaining to school division given my broad experience in school district matters (examples include: employee group relations, public relation efforts, risk management, etc.)
