

## BOARD POLICY MANUAL

The Essex County School Board is guided by written policies that are readily accessible to the Essex County School Board, Essex County Public School Division employees, students, parents, and citizens. All Essex County Public School Division policies are reviewed at least every five years and revised as needed.

A current copy of all Essex County Public School Division policies and regulations approved by the Essex County School Board are posted on the Essex County Public School Division's website and are available to employees and the public. Printed copies of the policies and regulations are available as needed to citizens who do not have online access. The superintendent ensures that an annual announcement is made at the beginning of the school year and, for parents of students who enroll later in the academic year, at the time of enrollment, advising the public regarding the availability of the policies and regulations.
